Chairperson's Report

I want to start my column by thanking John Butler and his team for putting together a fantastic village show that was held at Mizens last July. It was one of the best attended in all the years the KRA, the Knaphill Residents' Association, have organised the show. A lot of work goes into pulling off a great event and I know John is always looking for new people who are willing to join the show committee. If you are interested, please contact the KRA at the email address at the end of this column.

I am now into my second year as chair of the KRA. I stated very clearly that I would take on the task for a maximum of two years and come the 2025 annual general meeting I will stand down. So, we are looking for new people willing to step forward to join the committee and either stand for chairperson, secretary or willing to take on other tasks. Unless residents do step forward then there is a danger the Knaphill Residents' Association just falls by the wayside.

So, if you are interested in joining the village show committee, the KRA committee or just becoming a more active member please contact me at chairkra@gmail.com

You can also find us on Facebook, at Knaphill Community – from Knaphill Residents Association.

NOTE FOR YOUR DIARY: THE DATE OF OUR NEXT AGM IS 20 MAY 2025

Looking back and looking forward

This time of the year is a time of transition. We are nearly at the end of another year in our calendar, 2024. Do the years go faster when you get older...? Anyway, a new year is in front of us. A new year with new possibilities, with nature awakening in a few months' time, with new and fresh leaves on trees that seem dead at the moment. I was reflecting on this while I was walking my dog this morning. When writing this, it's still October. You see, preparing this magazine starts about two months before you receive it through your door.

So this morning I walked through the beautifully coloured leaves on the paths: yellow, green, red, orange. Many leaves are multicoloured and how beautiful they are...

Why do trees change colour? On www.forestryengland.uk you find the following: 'The green leaves you see throughout summer already contain most of the colours of autumn! Throughout most of the year the colours of autumn are "covered" by the dominant green chlorophyll. Chlorophyll helps trees to absorb the energy of the sunlight... As the weather cools in autumn, the leaves start to receive less sunlight.'

Less sunlight triggers chlorophyll to break down (and the tree does not replenish it) revealing the new, colourful pigments underneath and treating us to beautiful autumn yellows and oranges.'

Isn't it a miracle that we as human beings are treated each year to such a feast of colours? And although winter seems a bit 'dead', a lot is happening that we cannot see yet, but it will be visible in due course and we will enjoy another beautiful spring!

The Creator made all these things wonderfully well.

Maybe you have had a difficult year. However, there may be new beginnings as well, as there are in nature. Maybe you can brighten these dark days of the year with a bit of nature indoors: a beautifully coloured poinsettia or a pot with hyacinth bulbs, which fill your room with a lovely fragrance.

In this magazine we look back as well: lots of photos of the great Knaphill Village Show which took place in July. And we look forward to another show in 2025 – for which we need you!

Happy reading and all the best for a fresh, new year!

New Year's wishes from our councillors

From Cllr Hassan Akberali:

2024 has been a tough year for many, with sad stories of loss and hardship at home and abroad, and offers a moment of reflection on the year behind us.

At home, the financial challenges faced by Woking Council are impacting many public services, so it is important to look out for friends, neighbours, and those who are more vulnerable. Let's hope the worst is over, and we can look ahead to a better 2025.

I wish all Knaphill residents a peaceful, prosperous and healthy New Year.

From Cllr John Pearce:

As one of the councillors for Knaphill, may I take the opportunity to wish all residents of the village and their families a happy, peaceful and prosperous New Year. Along with my fellow councillors and working with the rest of the council, I am keen to continue to serve the community as best as I can during the coming year. Please do not hesitate to raise any issues with me, or one of my colleagues in my absence. I will always aim to respond quickly and effectively.

From Cllr Steve Greentree:

I'd just like to wish everyone a Happy New Year in 2025. If 2024 was a difficult year, then I hope the New Year brings renewed hope, health and happiness. If 2024 was a good year, then may 2025 be even better.

Knaphill's new Shooting Star charity shop

As the festive season approaches, Knaphill welcomes a new addition to its high street – Shooting Star Children's Hospices' newest shop! Kristie Nanson, Communications Officer, tells us more:

This shop not only offers a fantastic selection of pre-loved high-quality items for your Christmas shopping but also plays a vital role in supporting local families in need.

This new shop is the eighth addition to Shooting Star's chain, which are located across Surrey and south-west London and serves as a key fundraising source for the charity. Shooting Star Children's Hospices support families who have a baby, child, or young person with a life-limiting condition, or who have been bereaved, across Surrey, south-west London and north-west London. By shopping here, you're not just finding unique gifts; you're also helping to fund crucial services that make a difference in the lives of local families.

In addition to shopping, residents are encouraged to get involved by donating items or volunteering at the shop. If you have multiple items to donate, they conveniently have their donation station located at the Lansbury Business Estate in Knaphill, making it easy for you to drop off your donations.

Whether you're searching for that perfect gift or simply want to give back to your community this festive season, the new Shooting Star shop in Knaphill is a wonderful place to start. So, come on down, explore the fantastic selection, and support a great cause this Christmas. Your generosity will help ensure that families in our community receive the care and support they need during difficult times.

Find out more about Shooting Star shop locations, opening times and their donation wish list at www.shootingstar.org.uk/shops. If you would like to get involved as a volunteer, please contact volunteer@shootingstar.org.uk.

County Care Group Knaphill

Winter 2024 7

County Care offers a variety of bespoke support services for young adults living with learning disabilities, autism and mental health challenges, and older adults that may need support to live well at home.

Here is an overview of what they offer in Knaphill. They are basically working at the Lansbury Estate.

Our Community Skills Projects equip young adults with learning difficulties and autism with the fundamental skills to live fulfilling, functional daily lives and the confidence, health and wellbeing to pursue independence and employment.

Our Community Skills Projects include:

- Project Radio Project Café
- Plan it; Buy it, Cook it!
- Healthy Lifestyles
- Project Garden
- Project Digital Design
- Enterprise Woodwork
- Project Volunteering Vocation
- Employment Project Social

PROJECT CAFÉ

We simulate all the workings of a friendly café in our Project Café restaurants, servicing the County Care community. From taking orders and handling cash, to preparing meals and managing inventory, this incredible real-world experience is instrumental in helping our Customers develop the skills and confidence to apply for jobs at other cafés.

Pop in for a visit and check out our Facebook page <https://www.facebook.com/projectcafeknaphill/about>

Unit 17a, Solent House, Lansbury Business Estate, Knaphill, Woking, United Kingdom, GU21 2EP. Tel: 07395 888088

PROJECT RADIO

We are live and on the airwaves with Project Radio, an innovative programme designed for adults with learning difficulties and autism to get involved with the running of a radio station. Complete with soundproofing, broadcasters and all the equipment, Project Radio is invaluable in helping our Customers express themselves, have fun and work together as a team.

Tune in and give us a listen!

Alice Ecob Pollard, Community Support Worker

WE NEED YOU!

It's the time of the year when we focus on Christmassy things. We have nearly forgotten what the summer was like... But do you remember our fantastic Knaphill Village Show, which took place on July 20?

It seems a long time ago, so to refresh your memory we have some photos which give a good impression of the many people and dogs who were present!

But did you know that the people preparing this fantastic show for next year, 2025, already started meeting in October?

They are an enthusiastic group of volunteers, chaired by John Butler.

However... if the Village Knaphill Show will continue in the future, we need you!!

Who do we need?

- *Younger people*, enthusiastic people, committed people ...
- A *project manager* who can oversee the whole organisation of the next Village Show. Maybe it's you, a reader who just retired from a project managing job? Or maybe it's you, an apprentice who could come along and learn from that project manager to pursue your career?
- New *sponsors* of the show! It's a great opportunity to have your business mentioned in the 5000 copies of MyKnaphill.

The Knaphill Village Show is a community event. That's obvious when you see who participated this year: a local vet, local charities, local musicians and so on...

Charities raised money for their good causes, but there was also a surplus from the entrance fees. That surplus goes to local causes. In the past, we contributed to the PTA (Parent/Teacher Association).

The Morris dancers, regulars at the Knaphill Village Show, put their contributions into charities as well.

Did you enjoy the Show? *We cannot continue organizing it, if there won't be any new volunteers.*

You are asking when the next show is? That will be on July 19, 2025. Please, put the date in your 2025 diary!

You can start booking a stall from January onwards.

Last thing to say: Mizens' railway did a fantastic job again in running the trains. It's a very popular event for young and old. We thank them for their efforts and the opportunity to have the Knaphill Village Show on those special grounds!

Hetty Lalleman

www.knaphill.org

Some reactions from stallholders:

Woking Street Angels

We had a really good day today, lots of thanks for our work.

Lots of people asking about our work. Two people wanting taster nights with a view to becoming SAs. We made £216 from our raffle.

Knaphill Scouts and Knaphill Care

What a fantastic afternoon! It was great to see so many people come out to support the Village Show. We made £212 from a combination of cake sales, ball maze, spin the wheel & splat the rat.

Woking & Sam Beare Hospice

What a great day it was - the whole event had such a lovely chilled vibe about it and we really enjoyed ourselves. We raised £155.55 which we were really happy with. We look forward to coming along next year.

The Ghostbusters – collecting for Woking Lighthouse

On takings, we had feedback from the Lighthouse that we collected £102.65. Thanks again for the invite, and congratulations on running what was a very friendly and well attended event!

KASJOG

Knaphill and St Johns Operatic Group (KASJOG) will be performing *My Fair Lady* for their 2025 show. *My Fair Lady* is a musical by Alan Jay Lerner (book and lyrics) and Frederick Loewe (music), which opened on Broadway to tremendous critical and popular success in 1956, starring Rex Harrison and Julie Andrews as Henry Higgins and Eliza Doolittle. Adapted from George Bernard Shaw's popular play *Pygmalion* (1914) the musical takes place in early 20th century London and became one of the most well-loved musicals of the era, winning six Tony Awards, including Best Musical. The 1964 film adaptation also starred Rex Harrison, along with Audrey Hepburn as Eliza. This was also a success and won eight Academy Awards and was the highest-grossing film of 1964.

KASJOG are excited to be performing this classic musical at the wonderful Cecil Hepworth Playhouse (CHP) in Walton-on-Thames from 5th to 8th March 2025. Preparations have been underway since the summer and the group have attracted an amazing, talented cast, including several new members.

KASJOG is an amateur light operatic group with members from all walks of life from the Woking, Surrey, area. The group started life as an Adult Education evening class at The Winston Churchill School, St Johns in 1968. They have performed a show almost every year since. You can read more about their activities on the KASJOG website: kasjog.co.uk

Rehearsals started in October at The Maybury Centre, Woking, and the cast are having good fun, and already looking forward to bringing this delightful show to life on the stage at the CHP. The show will be directed by James Palmer, and music directed by Mark Turvill.

My Fair Lady is a more contemporary show for KASJOG and performances will be popular, so buy your ticket now! Tickets are available from www.ticketsource.co.uk/kasjog or by calling 0333 666 3366.

KASJOG performed at the Knaphill Village Show on July 20, 2024

About GIVE

GIVE is a volunteer-led charity based in Surrey. The charity was founded by Sonal Sher, who initially formed the Knaphill, St John's, and Brookwood (KStJB) Volunteers Support Group in March 2020. The support group was created to help our local community during lockdown, with volunteers offering their time and skills.

In March 2023, the support group became GIVE and we registered as a mental health and wellbeing charity. Our vision is to create a supportive community where people feel empowered to take control of their own mental health.

GIVE offers wellness opportunities for people in a community setting to not only improve their mental, physical and emotional health but also form friendships. We believe in early intervention and strive to provide this support to individuals who may be experiencing mental health issues or are facing social isolation.

Services

Over the last year, our weekly walking groups have become the heart of GIVE. We currently organise walks in and around Woking which are free to attend. We currently offer walks in Knaphill, Sheerwater, Pirbright and Goldsworth Park.

These walks encourage friendships for anyone who is feeling lonely, along with providing the

opportunity for isolated residents to improve their mental and physical health. Walks are hosted by our Walk Leaders, and we hope more people will be inspired to become walk leaders with us as the charity grows.

Our second community art project of the year will take place this autumn. With the guidance of our wonderful art tutors, these projects teach new skills whilst providing participants with the chance to make new friends in a safe and nurturing environment.

GIVE's befriending service is currently taking shape with the chance to offer individuals in need one to one support. We are looking to expand this service with the help of local volunteers. This goes hand in hand with our hope to reintroduce local support group meet ups.

Get Involved

We are always looking for volunteers to join the team, with many opportunities available. These include walk leaders, befriending, charity representatives and more! All our opportunities are flexible, to fit in around our volunteers' own schedule.

For more information on our activities, to volunteer or to participate, please contact givesurrey@gmail.com or visit our website givesurrey.org.

Emily Bradbury
Co-ordinator GIVE

What Makes Your Christmas Christmas?

Winter 2024 11

What is the point at which you think, “**Now it’s really Christmas!**”? There are plenty of way-markers along the way: the reorganisation of the ‘seasonal’ aisle in the supermarket straight after Halloween, that more recent import from the USA of ‘Black Friday’ sales, the launch of the John Lewis advert, ‘Mistletoe and wine’ playing on an irritating loop in the shops, ‘Christmas menus’ in every eatery, charity carol singing in the streets, school nativity plays...

But amidst all the commercial craziness of the Christmas Rush, I think the private rituals are more interesting – and we may not realise how unique our own domestic Christmases are. Do we have a tree? When does it go up? Are the decorations bought (and junked) each year or are they almost heirlooms, threading through our lives like the dodgy Christmas lights we have to fix (again!) before they get put on the tree? What’s the menu for December 25 – bird, beef, curry, fish, veggie ...? Do we still have a Christmas stocking long past childhood years? Or is there just a stash of goodies staring at us across the living room until the unwrapping moment? Does the King’s Speech feature or do the Christmas Specials on TV punctuate our yuletide afternoons? Is there a vain attempt to walk off all we’ve chomped our way through after lunch or an obligatory visit to the in-laws on Boxing Day?

Those little private customs matter. They tell our story – as family and as individuals. They take us deeper than the sheer commercialism of the December economy. Personally, the things I value most are not the food or the presents – I’ve reached a stage in life when I really don’t need more ‘stuff’! – but cards from loved ones, phone-calls to friends, time to be after the busyness. My most important decoration at home is not the tree or the tinsel but the Crib, a crude little model of a stable in which an infant lies newborn, a scene from which light radiates in these shortest days. Christians call the Christ-Child, “Emmanuel”, a name which means, “God is with us.” With us there in our homes, in our stories, in our feasting with others or our living of the day alone. May that light bring blessing to you and to all those you love this Christmas and in 2025 as well.

Fr. Rob Esdaile, parish priest of St Hugh’s Catholic Church, Knaphill

Knaphill Schools Eco-project Welcomed by Pupils

At the Knaphill Federation of Schools, values drive everything that we do. We believe in empowering our children and community to work together to achieve our aspirations, and we are committed to a brighter, greener future.

In 2023, The Knaphill Schools PTA consulted with parents and carers to ask whether they had any interest in green issues and how they would like the PTA to focus its funding efforts around this. The feedback was clear: 81% of parents/carers wanted to see improvements to the green spaces and the natural environment within the schools, and 86% wanted to see greater provision around pupils growing plants and vegetables.

As part of our ambitions to address these priorities, around 100m of green screening has now been installed around the Knaphill School grounds – completely transforming the large and small playgrounds and creating a beautiful natural space for the children. This project was spearheaded by the PTA and was made possible by our community working together. Seeing the importance of this project, Councillor Hassan Akberali lent his commitment to the PTA in the search for funding and supported the entire journey. Raising funds has not been easy, so we are grateful to the Lansbury Business Estate, who kickstarted the funding, and Chair of Surrey County Council Saj Hussain for providing his support via the Your Fund Surrey Small Community Projects fund.

The screening was unveiled to the school community in early September alongside a very special message from Children's TV personality and wildlife expert Steve Backshall, MBE - who congratulated the school on its achievement.

The school has grand ambitions and is moving on to its next project, installing a fruit orchard in an unused area of the school field. This project is another excellent example of our community at its best - a new and unique resource for our children, only made possible with the power of our community.

Quotes regarding the green screening

"I could see the passion and enthusiasm that surrounded this project from the outset, but until you see it for yourself, you cannot picture just how transformational this project is. The PTA and school have a great vision around eco and sustainability issues and I am very proud to have supported them with this project."

Chair of Surrey County Council Saj Hussain

"It has been an honour to be involved in this exciting project brought to my attention by Vikki with the school's full support over a year ago, soon after getting elected as Knaphill Councillor. The completion of the Eco project, apart from rejuvenating the mundane concrete monotony with greenery, will help encourage young children to protect the environment."

Councillor Dr Hassan Akberali

"This project is transformational for our school and when you look out into our playgrounds, the screening perfectly frames our beautiful village school. The green screening will provide so many benefits to our children but the whole project also represents many of our school values – positivity, courage and resilience to persevere with a challenging project, respect and responsibility for our surroundings and nature and nurturing the curiosity of our children. I am thrilled to see this project become a reality."

Debbie Harrison, Headteacher, Knaphill School

"This has been a real passion project for me and I am thrilled to see the difference that these screens have made to the junior school. The concrete jungle that I was so used to seeing on the school run has been transformed and we now have a beautiful green space that I know will deliver great benefits to the children."

Vikki Zeila, Eco and Sustainability Officer, PTA

Brookwood Cemetery Heritage open day

The Brookwood Cemetery heritage open day was held on Saturday 7 September between 11am – 3pm in the North Cemetery. The event saw over 350 vehicles parked and approximately 500 in attendance.

At the start of the event, a special ceremony was held introducing letters to heaven. It was led by Cllr Ian Johnson (Mount Hermon) and Celebrant Mary Morgan. A

memorial post box had been installed by the cemetery chapel for families to post letters, messages, and cards to loved ones who are no longer with us.

There was an exhibition in the cemetery chapel showing the diverse community of faith groups and associations that are buried within the cemetery. The Brookwood Cemetery Society led two walks in the North Cemetery around the Notables buried, and also provided hand out trails for those who wanted to explore on their own. There was an amazing flight of birds of prey that was widely attended even though it rained during the flight. Mizens railway set up a miniature passenger carrying steam engine railway and carried out over 150 journeys along the short piece of track sited on the original railway route within the cemetery.

The St Edward Brotherhood opened their glorious chapel as well as their small museum, a timeline of Brookwood Cemetery.

Cllr Ian Johnson revealed the post box for 'Letters to heaven'

Avril Kirby with a sign showing that Brookwood was an 'overflow' for cemeteries in London (see www.brookwoodcemetery.com/history/)

The Trench experience provided refreshments within their grounds where a replica of a French café and living quarters from the trenches were open to public.

The Commonwealth War Grave Commission had a stall and led tours through the military cemeteries.

Community activities in Knaphill's churches

The churches welcome you to their carol and Christmas services, but they do much more! Below are just a few ways churches are serving the local community.

Youth Wellbeing Lounge: For anyone in years 7-13. Wednesdays 4.30–6pm during term time and half term. A place to hang out, play some games and chat. Woodhill Church, Chobham Road.

Community Fridge: A simple way to reduce food waste. Food that supermarkets have to take off the shelves is given to the fridge to be picked up the next day. Open Monday to Friday 11am – 3pm at Woodhill Church.

Renew 88: Looking for a warm space to meet friendly people? At Renew 88 you are welcome whether you are OK or not OK. Come along for company and free teas and coffees. Open every Monday 2–4 pm and Friday 10am–12pm at Knaphill Baptist Church.

Clothes Bank: Do you need any clothes for yourself or your family, but are you struggling to afford them? Clothes4U at the Methodist Church provide pre-loved clothing. It's open on the third Saturday of the month from 2pm till 4pm. To use the service you need a voucher. We add free coffee, tea and a chat. See <https://www.knaphill-methodist-church.com/church-info/clothes-bank-information/>

Pop Up Coffee: An opportunity to share a quick coffee or tea at the beginning of the day. Comfortable sofas and a warm and welcoming space, with toys and jigsaws for children. Ideally situated between Knaphill Schools and Woodhill School. Free and open to everyone.

Whether you need to have a chat, come along with some friends or pop in after school drop-off, you are welcome. Mondays, Wednesdays and Fridays 8:45–10am.

Coffee Morning: at Knaphill Methodist Church on the fourth Saturday of the month (but not December!) from 10am–12pm. Also sale of a wide variety of cakes, marmalade, plants, bric-a-brac, jigsaws etc.

Lunch with Friends: Every fourth Wednesday of the month, 12–2pm in Woodhill Church, Brookwood. The menu depends upon the season, e.g. soup, roll and a dessert in the winter and something lighter in the summer. To book a place email ros@woodhill.church.

Live Simply: The parishes of St Dunstan's and St Hugh of Lincoln are applying for a LiveSimply Award. Their vibrant, energetic parishioners desire to live simply, sustainably and in solidarity with the poor. If you are looking for tips on sustainability, fair trade stores or would like to know more about living simply, you will find a wealth of information and ideas here: <https://www.livesimplywoking.org/>.

A team of volunteers is making these projects happen. We know how busy life is so you can do as much or as little as you like, whether that is as a volunteer or simply adopting a Live Simply tip at home.

FAWM: A weekly group for young parents and babies. An opportunity to make new friendships and join others in the same boat for a chat, free coffee and pastries. For those who had a baby in the last year or are expecting one soon. Get some empathy from those going through a similar experience!

It's very low-key and informal, no pressure to talk if you don't want to. If your baby cries - no worries, you are welcome to turn up whenever you can. Thursdays 10:30–11:30am at Woodhill Church; email caroline@woodhill.church

Parent and Toddler Group: Knaphill Baptist Church runs a group for babies and toddlers with their parents/carers on Tuesdays from 9:30–11:30am. It includes crafts and singing toddlers' songs. Coffee and a piece of cake are part of the experience.

Baby & Toddler Group: At St Hugh of Lincoln, the baby & toddler group meets on Friday mornings during term time, from 10–11.30am in the Parish Hall. There are lots of toys for children aged 0–5 as well as crafts, colouring and jigsaws, and ten minutes of songs at the end of the session. Hot drinks and snacks are provided throughout.

Silver Stars: Senior members of our community meet other people at Silver Stars. There are activities, guest speakers, occasional teas and services. Anyone is welcome and there will always be tea and cake at the end. It's held at Woodhill Church on the second and fourth Monday of the month from 2pm–3:30pm.

In the autumn, the Anglican parishes of Holy Trinity and St Saviour's merged to take the new name of Woodhill Church. The Sunday services are now at 10:30 in Knaphill and at 18:00 in Brookwood.
